Giving Back

26th Annual All Children's Hospital Telethon

On May 31st, Achieva employees manned the phones at All Children's Hospital for the Children's Miracle Network Telethon. It was not only our way of giving back to the community in volunteer hours, but we also presented a check to CMN in the amount of **\$11,500!** The check consisted of money collected from fundraising efforts throughout the year, which included donations made by you - our members! **Thank you!**

Traveling Abroad?

It's always a good idea to let us know if you are planning to be outside the U.S., so we can "flag" your account. In addition, we suggest that you always bring more than one method of payment when traveling, such as a credit or debit card AND traveler's checks. For your convenience, American Express traveler's checks are available at any Achieva branch location for a minimal fee. Enjoy your trip!
